

Renato Corbellini

Software Developer

Email: renatocorbellini@hotmail.com

Address: Concepción del Uruguay, Entre Ríos,
Argentina.

Phone Number: +598 91 090 616

PROFILE

Uruguayan software developer starting my professional career in IT. I consider myself a committed person when it comes to goals while constantly trying to learn and apply new knowledge in every field.

I've experience with front-end technologies like HTML, CSS and JavaScript. In addition, I've worked in database management with SQL. I have learnt about design principles, design patterns and agile methodologies like SCRUM.
